

## Northern Districts Junior Round Robin

This is to advise that the Northern Districts Junior Round Robin is to be held this year at (Association) table tennis stadium on DAY DATE MONTH YEAR  
Play is scheduled to start at 9am and conclude before 4pm. Prize giving will be held immediately after at 4pm with presentation of medals and certificates.

Team Categories as agreed by our region are for

Under 17 Boys

Under 17 Girls

Under 15 Boys

Under 15 Girls

Under 13 Boys

Under 13 Girls

All teams are 3 player teams and we will attempt to give all teams 4 contests. Each contest (as agreed by the region) comprises of 4 singles and 1 doubles match with each team member playing 2 matches each per contest  
Matches in a contest are all to be played right out and in order will be  
A v 2, B v 1, C v 3, A v 1, B/C v 2/3

Our aim is to have 28 teams in all, so that we have a full stadium and every team playing every round. We would like to see one elite team from each of the larger associations playing in the boys under 17 divisions, so that the other developmental players can look to these players and have something to aspire to in the future.

The other divisions will have a broad range of abilities and we will endeavor to match abilities as best we can to give good matches for all. North Harbour will enter teams to make the numbers in each grade even and these could range from good players to beginners. Feel free to enter as many teams as you like in any division from your association. In the case of girls, where we all struggle, just send as many girls along as you can and we will put together combined teams if required.

If you require an invitation by way of a letter, then please advice, otherwise an e mail detailing your teams and names of players for seeding purposes is fine.  
Entries to close on Monday 24th July

Cost is \$30 a team as per the last 2 years and as hosts we supply the medals, certificates, prizes and cover costs of hall, lighting etc.
